

Jailson Vilela - Ele Nos Libertou

tom: A

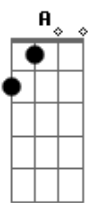

Nós estávamos presos nas trevas
 Caminhando rumo à perdição
 Pelas sendas ardis, com algemas
 Prosseguíamos na escuridão
 Nada em nós poderia salvar-nos
 Todo esforço seria em vão
 Só o Pai poderia livrar-nos
 E o fez: deu-nos o seu perdão
 Ele nos libertou! Ele nos libertou!
 Do império das trevas pôde nos livrar

Por Jesus pôde nos libertar!
 Ele nos li---ber---tou! Ele nos li---ber---tou!
 Ao Seu reino fulgente, reino de amor
 Por Jesus nos trans---por---tou!
 Das algemas libertos, agora
 No seu reino, Jesus nos conduz
 O caminho errante de outrora
 Esqueçamos, vivendo na luz
 O pecado já não nos gover---na
 Já não há em nós condena---ção
 Deus livrou-nos da morte eter---na
 Em Jesus deu-nos libertação
