

Jair Rodrigues - Conceição

Tom: F

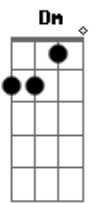

Conceição
 Eu me lembro muito bem
 Vivia no morro a sonhar
 Com coisas que o morro não tem
 Foi então
 Que lá em cima apareceu
 Alguém que lhe disse a sorrir
 Que, descendo à cidade, ela iria subir

Se subiu
 Ninguém sabe, ninguém viu
 Pois hoje o seu nome mudou
 E estranhos caminhos pisou
 Só eu sei
 Que tentando a subida, desceu
 E agora daria um milhão
 Para ser outra vez
