

Jair Rodrigues - Diz Que Fui Por Ai

Tom: Bb

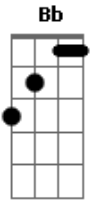

Se alguém perguntar por mim
 Diz que fui por aí
 Levando um violão / Debaixo do braço
 Em qualquer esquina eu paro
 Em qualquer botequim eu entro
 E se houver motivo
 É mais um samba que eu faço
 Se quiserem saber / Se volto diga que sim
 Mas só depois que a saudade se afastar de mim
 Mas só depois que a saudade se afastar de mim

Tenho um violão
 Pra me acompanhar
 Tenho muitos amigos
 Eu sou popular
 Tenho a madrugada
 Como companhei. . .ra
 A saudade me dói
 Em meu peito me rói
 Eu estou na cidade
 Eu estou na favela
 Eu estou por aí
 Sempre pensando nela
