

Jair Rodrigues - Senhor da Floresta

Tom: E

m

Senhor da Floresta
 Um índio guerreiro da raça tupi
 Vivia pescando
 Sentado na margem do Rio Chuí
 Seus olhos rasgados, no entanto
 Fitavam ao longe uma taba
 Na qual habitava
 A filha formosa de um morubixaba.

Um dia encontraram
 Senhor da floresta no rio Chuí

Crivado de flechas
 De longe atiradas por outro tupi
 E a filha formosa do morubixaba
 Quando anoiteceu, correu
 Subindo a montanha
 No fundo do abismo desapareceu.

Naquele momento
 Alguém viu no espaço, à luz do luar
 Senhor da floresta de braços abertos
 Risonho a falar
 Ó virgem guerreira
 Ó virgem mais pura que a luz da manhã
 Iremos agora unir nossas almas
 Aos pés de Tupã
