

# Jairo Lambari Fernandes - Flor do Mar

Tom: G

**Em**  
Singrando essas águas vai o coração  
**C** **Am**  
Feito um barco frágil sem direção  
**D7** **G**  
Morrer de sede não é o fim,  
c **B7** **Am** **G** **B7** **Em**  
Matar a sede sim...

**Em**  
Meus sonhos trazem velas nesta solidão  
**C** **Am**  
Náufragos do medo, fogo da paixão  
**D7** **G** **C** **D** **B7** **Am** **G** **B7** **Em**  
Quando se perde a luz do farol, a nau se perde...

**Em** **D**  
A luz que vem dos olhos guia a embarcação  
**C** **Am** **B7**  
Que anda à deriva sem tripulação, só meu coração  
**Em** **D**  
Os sonhos e as canções que guardei pra ti  
**C** **Am** **B7**  
No breu das inquietudes eu sobrevivi, quase morri...

Refrão:

**E** **A7M**  
Só me resta navegar...  
**Gbm** **Abm** **A**  
Nestes mares do silêncio, navegar.

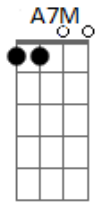

**E** **A7M**  
Navegar, teu olhar...  
**F#M** **Abm**  
No negror destas retinas,  
**Db7** **Gbm**  
Flor do mar, doce menina  
**B7** **E**  
Em teu corpo navegar

**Em**  
A estibordo a tempestade enlouquece o mar  
**C** **Am**  
Mas eu pago o preço que me cobrar  
**D7** **G**  
A bombordo os meus olhos trazem calmarias  
**C** **B7** **Am** **G** **B7** **Em**  
Na leveza dos braços de quem eu queria

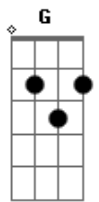

**Em** **D**  
Há recifes e corais nos mares do amor  
**C**  
Rota insana, marca de mágoa e de dor  
**B7** **Am** **G** **B7** **Em**  
Pra um navegador.

**Em** **D**  
A lágrima que um dia se juntou ao mar  
**C**  
Levou os meus segredos para te contar  
**B7** **Am** **G** **B7** **Em**  
Se te encontrar...
