

# Jairo Lambari Fernandes - Senhora Dona de Mim

tom: G

Se te bem quero por te amar assim  
 Senhora dona de mim  
 Dona dos meus segredos  
 Dos meus medos, tudo enfim  
 Senhora dona de mim, Senhora dona de mim

A luz do beijo a reluzir carmim  
 Senhora dona de mim  
 Morrer em ti eu queria

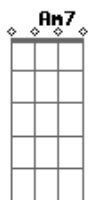

Renasceria no fim  
 Senhora dona de mim, Senhora dona de mim

Minha Senhora não vá agora  
 Não vá embora espere um pouco mais  
 Só mais um mate, meu amor te implora  
 Minha Senhora espere um pouco mais  
 Lembra Senhora quando a luz da lua  
 Banhou de linda quando adormeceu  
 Vislumbro a cena, tua nudez morena  
 E só quem viu foi a lua e eu
