

Jake Bugg - All Your Reasons

Tom: F

(com acordes na forma de D)
 Capotraste na 3ª casa
 Intro: Em-(Em7)

Em
 Got all of your reasons
 And all of them's been used
 Read a lot about it
 You can read up in the news

There's a lot of hungry faces
 There's a lot of pain out there
 Oh anyway, it's been a long day
 Oh anyway

Em
 Didn't disappoint you
 Didn't want to make you sad
 Given all the choices
 Good's given from the bad

There's a lot I need to tell you
 There's a lot you should know
 Oh anyway, it's been a long day

So if I keep myself on moving on
 Oh angel, angel, angel will fly

'Cos it's my heart's desire
 To set the world on fire
 Oh angel, angel
 Angel will fly to the moon

Summer's almost gone
 And I'll be singing all the songs

Em
 I've heard all the excuses
 And all have been refused
 I've read a lot about you
 You can read up in the news

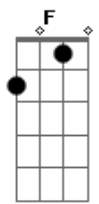

There's a lot of fairy tales
 While it's a cold world outside
 Oh anyway, it's gonna stay that way

So if I keep myself on moving on
 Oh angel, angel, angel will fly

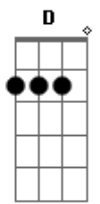

'Cos it's my heart's desire
 To set the world on fire
 Oh angel, angel
 Angel will fly to the moon
