

Jake Bugg - Broken

Tom: Ab

(com acordes na forma de Capotraste na 1ª casa

I'm waiting for you

For I'm broken down

Coming down this time

For my heart lies

Far and away where they took you down

Let them over to your house

Where I'm broken

Down by the people if they let you free

Don't give a damn if you still can't see

Still my heart beats

For you have become

All I love

And all I hoped for

But I must carry on

Always one

Never broken

Run to the lobby where I saw you try

Don't give a damn for your reasons why

Where Sophie's

G)

Down in the valley where the church bells cry
I'll lead them over to your eyes

Whoa

I am one

I am one

I am one

Pray, story of

Peace and love

In a future bright

Sacrifice came around

Never broken

Down by the people if they let you free

Don't give a damn if you still can't see

Travelling a street that I did not go

Weaves lifetime to the winter load

Down in the valley where the church bells cry

I'll lead them over to your eyes

Whoa

I am one

Whoa

I am one

I am one
