Why he didn't speak a sound,
And all to do is weep, come down.

Em G

I tried to ask him what he needs,
Moon light paints my face,
And when he turned and looked to me,
Still we never speak a sound, (strum this chorus)
And all to do is weep, come down.

Em G Bm7
Last night the moon watched the sea,
As he looked so sad,
His reflection told me the story,

And when the up comes to an end,
And all is last,
The moon will lose his only friend,
Still we never speak a sound, (strum this chorus)
And all to do is weep, come down.
