

# Jake Bugg - Never Wanna Dance

Tom: E  
Intro: E Dbm x2

And I don't know if I know ya  
I know it sounds bad  
And I don't know if I need ya  
I know I must be mad

And if suddenly you leave  
I will understand  
Cause you don't need a guy like me  
Who never wants to dance

And I don't know if I need ya  
I know it might be cruel

And I don't think that I love ya  
I know I'm such a fool  
But I'll be waiting by the phone  
Waiting on for hours  
But I'll be waiting all alone  
For a love that's not ours  
(Wanna dance, wanna dance...) x2

And if suddenly you leave  
I will understand  
Cause you don't need a guy like me  
Who never wants to dance  
Never wants to dance

## Acordes
