 Intro: Em C G G

Em C G D  
 One Friday night I took a pill or maybe two  
 Em C G D  
 Down at the car park I saw everyone I knew

D  
 And before the night had started we had planned to crash a party

Em C G D  
 Just a place that someone knew a local house belonging to a gangsters crew

( C G D )

Em C G D  
 And at the door they shone a light into my face  
 Em C G D  
 Have to admit I felt a little out of place  
 Em C G D  
 But I made my way inside past a thousand crazy eyes  
 Em C G D  
 Then a friend took me aside said everyone here has a knife

C  
 I've seen it all  
 G D  
 I've seen it all now  
 C Am  
 I swear to god I've seen it all  
 G D Em  
 Nothing shocks me anymore after tonight

( C G D ) (2x)

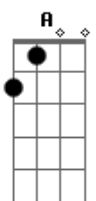

Em C G D  
 Those little doves had sent my mind and heart a-beating  
 Em C G D  
 To say I felt weird really doesn't need repeating  
 Em C G D  
 I could sense the mounting tension the atmosphere of violence  
 D  
 And then they took a guy out side and someone stabbed him with a knife

C  
 I've seen it all  
 G D  
 I've seen it all now  
 C Am  
 I swear to god I've seen it all  
 G D Em  
 Nothing shocks me anymore after tonight

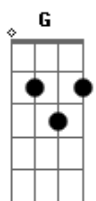

SOLO

C  
 I've seen it all  
 G D  
 I've seen it all now  
 C Am  
 I swear to god I've seen it all  
 G D C  
 Nothing shocks me anymore after tonight  
 G  
 I've seen the light  
 Am  
 But not the kind

 I would have liked
