

Jake Bugg - Slide

tom:

C
[Primeira Parte]

C
I've been thinking about
The way the world turns
And my stomach churns
When it finally hits me out of the sky
I knew this day would come
I'm on the front line

(**G Am**)

[Pré-Refrão]

Oh I don't know how to take it in
Is love just suffering?
Cos I can see where the chapter ends

[Refrão]

I've got autumn leaves
And heartbreak dreams inside
Cos you and me
On this frozen sea we slide, slide

(**C C Am**)
