

# Jake Bugg - Slumville Sunrise

Tom: C

<sup>E</sup> The wind is <sup>A</sup> beating on my window  
<sup>E</sup> I haven't slept all night  
<sup>E</sup> That drum just keeps on banging  
<sup>E</sup> They must be buzzing in the mind,  
<sup>A</sup> bees in the hive, <sup>A</sup> tell me when the morning arrives

<sup>E</sup> This place is just not for me  
<sup>E</sup> I say it all the time.  
<sup>E</sup> My friends they just ignore me.  
<sup>A</sup> Tell me nevermind, <sup>A</sup> waiting on your line for the Slumville Sunrise.

CHORUS

<sup>Em</sup> Slumville Sunrise.  
<sup>Em</sup> Nobody cares or looks twice  
<sup>C</sup> Shout away in the morning across this place where I was born  
<sup>C</sup> in  
<sup>C</sup> Every roof, every flower illuminated by the morning

<sup>E</sup> My face upon the concrete, <sup>A</sup> the dirt is in my mouth  
<sup>E</sup> I clench my fist and feet. I try to cry out loud  
<sup>A</sup> Make a sound, <sup>A</sup> somethin is keepin me down

<sup>E</sup> This place is just not for me  
<sup>E</sup> I'll say it a thousand times

<sup>E</sup> My friends they just ignore me  
<sup>A</sup> Tell me nevermind, <sup>A</sup> waiting on your line for the Slumville Sunrise

CHORUS

<sup>Em</sup> Slumville Sunrise.  
<sup>Em</sup> Nobody cares or looks twice  
<sup>C</sup> Shout away in the morning across this place where I was born  
<sup>C</sup> in  
<sup>C</sup> Every roof, every flower illuminated by the morning
