

Jake Bugg - Swept Away

Tom: F
Intro: Dm C Bb A

You got me were you want, I've placed you in the stars,
Fell for all your charms, too much to pass.
There's another sign, a darkness to your sigh.
Hard to understand, that fall come as one.

CHORUS:
You're like the rush in time,
Sharp of the hardest drain,
But I stay, swept away.

When you're good you're good, when you're bad you're wrong,
Drinking all the wine, singing all the songs.
There's another sign, sweetest that I know,
Hard to understand, where the person goes.

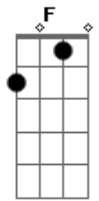

CHORUS:
Gm Bb

You're like the rush in time,
Sharp of the hardest drain,
But I stay, swept away.
Just like the hurricane,
Blows away the good,
Day by day, swept away.

But I know what I got, I got just what I want.
Too much of everything, sometimes not enough.

CHORUS:
You're like the rush in time,
Sharp of the hardest drain,
But I stay, swept away.
Just like the hurricane,
Blows away the good,
Day by day, swept away.
