Capostrate na 1ª casa

I drink to remember, I smoke to forget  
A (p.m.)

Some things to be proud of, some stuff to regret

Been down some dark alleys, in my own head

Some thing is changing, changing, changing.

I go back to Clifton to see my old friends  
A (p.m.)

The best people I could ever have met  
B7 (p.m.)

Skin up a fat one, hide from the Feds

Something is changing, changing, changing.

So I kiss goodbye to every little ounce of pain  
B

Light a cigarette and wish the world away  
A2

I got out I got out I'm alive and I'm here to stay  
E

So I hold two fingers up to yesterday  
B

Light a cigarette and smoke it all away  
A2

I got out, I got out, I'm alive and I'm here to stay  
E

Down in the kitchen drinking white lightning  
A (p.m.)

He's with my momma, yelling and fighting  
B7 (p.m.)

It's not the first time praying for silence  
A2

Something is changing, changing, changing

So I kiss goodbye to every little ounce of pain  
B

Light a cigarette and wish the world away  
A2

I got out I got out I'm alive and I'm here to stay  
E

So I hold two fingers up to yesterday  
B

Light a cigarette and smoke it all away  
A2

I got out I got out I'm alive and I'm here to stay  
E

There's a story for every corner of this place  
Dbm

Running so hard you got out but your knees got grazed

I'm an old dog but I learned some new tricks yeah

So I kiss goodbye to every little ounce of pain  
B

Light a cigarette and wish the world away

So I hold two fingers up to yesterday
