

Jake Bugg - Two Fingers

Tom: F

(com acordes na forma de E)
 Capotraste na 1ª casa

I drink to remember, I smoke to forget
 A (p.m.)

Some things to be proud of, some stuff to regret
 B7 (p.m.)

Been down some dark alleys, in my own head

Some thing is changing, changing, changing.

I go back to Clifton to see my old friends

The best people I could ever have met

Skin up a fat one, hide from the Feds

Something is changing, changing, changing.

So I kiss goodbye to every little ounce of pain

Light a cigarette and wish the world away

I got out I got out I'm alive and I'm here to stay

So I hold two fingers up to yesterday

Light a cigarette and smoke it all away

I got out, I got out, I'm alive and I'm here to stay

Down in the kitchen drinking white lightning

He's with my momma, yelling and fighting

It's not the first time praying for silence

Something is changing, changing, changing

So I kiss goodbye to every little ounce of pain

Light a cigarette and wish the world away

I got out I got out I'm alive and I'm here to stay

So I hold two fingers up to yesterday

Light a cigarette and smoke it all away

I got out I got out I'm alive and I'm here to stay

There's a story for every corner of this place

Running so hard you got out but your knees got grazed

I'm an old dog but I learned some new tricks yeah

So I kiss goodbye to every little ounce of pain

Light a cigarette and wish the world away

I got out I got out I'm alive and I'm here to stay

So I hold two fingers up to yesterday

Light a cigarette and smoke it all away

I got out I got out I'm alive and I'm here to stay

Hey, hey it's fine

Hey, hey it's fine

Hey, hey it's fine, I left it behind
