

Jake Bugg - Waiting

Tom: C

All the time before I knew you

Seems now so long

And I cannot explain

Even if I try

No, you never make it easy

No, it's hard to be strong

But all in good time

I can wait

I'll be waiting

I'll be waiting

For I cannot explain

Even if I try

When you're leaving

I'll be waiting

For I cannot refuse you

I've tried

(C Am F Am)

All the years spent together

Slowly aging on

And I wonder just what's wrong

Are you tired?

I'll be waiting

I'll be waiting

For I cannot explain

Even if I try

When you're leaving

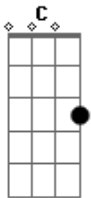

Lord knows I'll be waiting

For I cannot refuse you

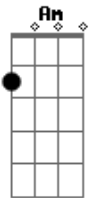

I've tried

(C Am F Am)
