tom:
Cm

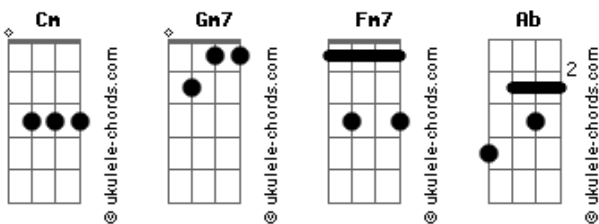

Intro: (2x)
Cm - Gm7 - Fm7 - Eb2

Verse 1
These roses ain't random
And that name ain't some ex
My little sister went to heaven
Its how I tell her she's missed
And when my grandpa got sick
And they sold away the farm
I got his old A-shaker truck
Tattooed on my arm

Chorus
It's my life, things I love
Its the people I've lost
It's the lessons that I've learned
That ain't never comin' off
No matter what you think
This ink is more than skin deep
It's why it's there, why I wear
My heart on my sleeves
Like a prayer, why I wear
My heart on my sleeves, yeah
Intro: Cm - Gm7 - Fm7 - Eb2

Verse 2
I got sued by my friend
Like a knife in the back
I got a shark tattoo
Cause some folks turn into that
I got the name of my old rock band
Right under a nurse
And every time I'm feeling lonely
That medicine still works

Acordes

Chorus
It's my life, things I love
Its the people I've lost
It's the lessons that I've learned
That ain't never comin' off
No matter what you think
This ink is more than skin deep
It's why it's there, why I wear
My heart on my sleeves
Like a prayer, why I wear
My heart on my sleeves, yeah
