

Jalen N'Gonda - If You Don't Want My Love

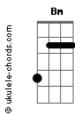

```
tom:
             D
Intro: D7M Bm D Bm
      D7M Bm D Bm
In this night, a starry sky
My baby told me with a sigh
   Em Gbm
Saying words that came across as a doubt
           Bm
I reassured that every day my love is strong in every place
     Em Gbm
In your heart, I sho'nuff can't live without
D7M Bm A Bm
Every mountain, every sea can never stray or burden me
D7M
               Bm
Keep us close and keep us dear
                  Gbm
Not just today, but every year
      Em
             Gbm
You were made to be a focus in my mind, hmm
But if you don't want my love
And if you want something more
   Gbm
Said if you never wanted my love
Bm D7M Bm
Let me know, oh
```

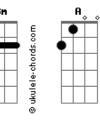

```
( D7M Bm D7M Bm )
( D7M Bm )
        D7M Bm
You're not bound by a vow
      Α
Could be tomorrow or even now
   Em Gbm
If you want another spoke to look inside
      D7M
I'll be the person of your dreams
    A Gbm
Or your lover in-between
   Em Gbm
Every corner in caverns of your mind
But if you don't want my love
And if you want something more, baby, baby
   Gbm Em7
Said if you never wanted my love
        Bm7
Let me know, let me know
Let, let me know
Come on, baby
Let me know
Oh, let me know
```
