

JAM - Pity Poor Alfie / Fever

Tom: G

Intro: Em D C Bm
Em D C Bm

G Am
The streets of pleasure took you to the top
D C Am
But every light was red and every sign said stop
C D
I felt so confined, just like glued to this spot, oh
G Am
As were sleeping in the noon day sun
D C Am
We escaped the test and the marathon run
C C Em D C
And nobody heard and these muffled cries of "Alfie!"
C Bm Em D C
We put a stop to that
Bm Em D C Bm Em D C
Whoa, but Alfie, I wish you'd please come back

Am
So no one's hurt - we might have made it through
D Em
But now there's nothing left except the memories of you
(D C Bm Em D C Bm)

G Am
With overflowing powerful woes
D
'Cause there's real and fright
C Am C
To the top of the stairs to find poor Alfie
D
And blood stained letters
D
Don't count for change
C
And don't look for blame
D
'Cause it's a fair exchange
Em D C Am C
For the last adventure I have left
(Am D)
(G Am D C Am C D)

G Am
'Cause we were sleeping in the noon day sun
D C Am
We escaped the test and the marathon run
C D Em D C

C Bm Em D C
We put a stop to that
Bm Em D C Bm Em D
Oh, but Alfie, I wish you'd please come back
(C)

Bm Am
Now it's gonna be hard for me to make it through
D
When all that's left is the memories of
E C
Nothing left except the memories of war and pain
D
Please pity poor Alfie
(Em D C Bm)
(Em D C Bm)
