Verse 1:
C
Endless days and nights so long
Where to go to now she's gone
Your world did hope and now its clear
Love can also bring you fear
She's the first but not the last
Young eyes only see the past
You never wanted it to crash
But sometimes good things never last

Pre-Chorus:

G Am
But you cant hear me when I tell you its ok
G F
?cause when your world turns black, it's the colours in your day
Chorus:

C Em
Its alright to hurt inside,
Dm Am F
