One day, one day,  
Am F

Verse 2:

C  
Empty moments, sleepless nights  
Em  
Think about you every night  
Am F  
Wondering in what went wrong  
C  
What we had once seemed so right  
Em  
Just as quick you're out of sight  
Am F  
You talk to me with words like moving on

Am G  
Did it seem so simple to you?  
Am G  
Was I just another thing for you to do?  
Am G  
Did you ever mean the things you said?  
Am G  
Was I just another notch on your bed?

tabrefrão

C  
I thought you needed me too  
Em  
I thought your feelings were true  
Am G  
I thought your head was in my space  
C  
But now you've proven me wrong  
Em  
But I will rise and be strong  
Am G  
And one day soon this pain will fade

(Refrão)
