

James Arthur - Prisoner

Tom: G

m [Intro] Gm

If I'm underneath the table

Then pour me another drink

Oh, I don't want to remember

I don't even want to think

I'm a slave to my addiction

I'm a hazard to myself

On a fast ride to perdition

Oh, I'm heading straight to hell

When I throw up out your window

You should confiscate my key

I will drive you up the fucking wall

Is it too late to believe me

I tried so hard to change

The devil locked my door

I wear these heavy chains around my neck

Like a prisoner

I just want to love

But he won't let me go

Loosen up my chains
Or I'm a condemned prisoner

(Gm Bb Cm D7)

I was stood there in the spotlight

With this city at my feet

But I was a dead man walking

Nothing ever comes for free

So I moved on down to London

Where I traded in my soul

Cm

I could not fill my heart

With all those one night stands and gold

So throw me out your mom's house

I've been living there too long

Well she never liked me anyway

Cause she knows I'm northern scum

I tried so hard to change

The devil locked my door

I wear these heavy chains around my neck

Like a prisoner

I just want to love

But he won't let me go

Loosen up my chains
Or I'm a condemned prisoner

Gm

I think my minds on the blink

So I get high, so high and I drink

I suffered enough of the heart palps when I think
Discovered it up at the bar 9 drinks in

Now I'm at the disco, convinced the girls think I'm the bizzo

Course I'm on the brink

Looking at me funny then course I'm gonna swing

Karaoke? Course I wanna sing

Or pour me another drink

It always ends the same

(Gm Bb Cm D7)

Or I'm a condemned prisoner

I tried so hard to change (tried so hard to change)

The devil locked my door (The devil locked my door)

I wear these heavy chains around my neck (Oooh)

Like a prisoner

I just want to love (I just want to love)

But he won't let me go (he won't let me go)

Loosen up my chains

Or I'm a condemned prisoner
