

# James Arthur - Safe Inside

Tom: Ab

(com acordes na forma de G )

Capostrate na 1ª casa

I remember when you were all mine  
 Watched you changing in front of my eyes  
 What can I say  
 Now that I'm not the fire in the cold  
 Now that I'm not the hand that you hold  
 As you're walking away  
 Will you call me to tell me you're alright  
 Cause I worry about you the whole night  
 Don't repeat my mistakes  
 I won't sleep 'til you're safe inside  
 If you're home I just hope that you're sober  
 Is it time to let go now you're older  
 Don't leave me this way  
 I won't sleep 'til you're safe inside  
 Everyone has to find their own way  
 And I'm sure things will work out okay  
 I wish that was the truth  
 All we know is the sun will rise  
 Thank your lucky stars that you're alive  
 It's a beautiful life  
 Will you call me to tell me you're alright

Cause I worry about you the whole night  
 Don't repeat my mistakes  
 I won't sleep 'til you're safe inside  
 If you're home I just hope that you're sober  
 Is it time to let go now you're older  
 Don't leave me this way  
 I won't sleep 'til you're safe inside  
 If you make the same mistakes  
 I will love you either way  
 All I know is that I can't live without you  
 There is nothing I can say  
 That will change you anyway  
 Darling, I could never live without you  
 I can't live, I can't live  
 Will you call me to tell me you're alright  
 Cause I worry about you the whole night  
 Don't repeat my mistakes  
 I won't sleep 'til you're safe inside  
 If you're home I just hope that you're sober  
 Is it time to let go now you're older  
 Don't leave me this way  
 I won't sleep 'til you're safe inside  
 Will you call me to tell me you're alright  
 Cause I worry about you
