

# James Arthur - Safe Inside

Tom: Ab

(com acordes na forma de G )

Capostrate na 1ª casa

G D  
I remember when you were all mine

G D Em  
Watched you changing in front of my eyes

G D  
What can I say

G D  
Now that I'm not the fire in the cold

G D Em  
Now that I'm not the hand that you hold

G D  
As you're walking away

G D  
Will you call me to tell me you're alright

G D Em  
Cause I worry about you the whole night  
Don't repeat my mistakes

G D  
I won't sleep 'til you're safe inside

G D  
If you're home I just hope that you're sober

G D Em  
Is it time to let go now you're older  
Don't leave me this way

G D  
I won't sleep 'til you're safe inside

G D Em  
Everyone has to find their own way

G D  
And I'm sure things will work out okay

G D  
I wish that was the truth

G D  
All we know is the sun will rise

G D Em  
Thank your lucky stars that you're alive

G D  
It's a beautiful life

G D  
Will you call me to tell me you're alright

Em  
Cause I worry about you the whole night  
Don't repeat my mistakes

G D  
I won't sleep 'til you're safe inside

G D  
If you're home I just hope that you're sober

Em  
Is it time to let go now you're older  
Don't leave me this way

G D  
I won't sleep 'til you're safe inside

Em B7  
If you make the same mistakes

C  
I will love you either way

G D  
All I know is that I can't live without you

Em B7  
There is nothing I can say

C  
That will change you anyway

G D Em  
Darling, I could never live without you

C G D  
I can't live, I can't live

I won't sleep 'til you're safe inside
