

James Arthur - Say You Won't Let Go

Tom: A

A
I met you in the dark
E
You lit me up
Gbm
You made me feel as though
D
I was enough
A
We danced the night away
E
We drank too much
Gbm
I held your hair back when
D
You were throwing up

A
Then you smiled over your shoulder
E
For a minute, I was stone cold sober
Gbm D
I pulled you closer to my chest
A
And you asked me to stay over
E
I said, I already told ya
Gbm D
I think that you should get some rest

A
I knew I loved you then
E
But you'd never know
Gbm D
Cause I played it cool when I was scared of letting go
A
I know I needed you
E
But I never showed
Gbm
But I wanna stay with you
D
Until we're grey and old
A E
Just say you won't let go
Gbm D
Just say you won't let go

A E
I wake you up with some breakfast in bed
F#M
I'll bring you coffee
D
With a kiss on your head
A
And I'll take the kids to school
E
Wave them goodbye
F#M D
And I'll thank my lucky stars for that night
A

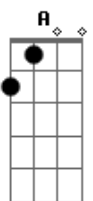

When you looked over your shoulder
E
For a minute, I forget that I'm older
Gbm D
I wanna dance with you right now, oh
A
And you look as beautiful as ever
E
And I swear that everyday you'll get better
F#M D
You make me feel this way somehow

A
I'm so in love with you
E
And I hope you know
Gbm D
Darling your love is more than its worth in gold
A
We've come so far my dear
E
Look how we've grown
Gbm
And I wanna stay with you
D
Until we're grey and old
A E
Just say you won't let go
F#M D
Just say you won't let go

A
I wanna live with you
E
Even when we're ghosts
Gbm
Cause you were always there for me
D
When I needed you most
A
I'm gonna love you till
E
My lungs give out
Gbm
I promise till death we part
D
Like in our vows
A
So I wrote this song for you
E
Now everybody knows
F#M
Cause it's just you and me
D
Until we're grey and old
A E
Just say you won't let go
Gbm D
Just say you won't let go

A E
Just say you won't let go
Gbm D
Oh, just say you won't let go
