

# James Arthur - Sleepwalking

tom:

C (forma dos acordes no tom de A )

Capostrate na 3ª casa

You brought the Sun, and I brought the moonlight  
 We were two souls in a world set to collide  
 You brought the wine, and I brought the flowers, mm  
 We disappear up in a haze on a summer night  
 I'll wait, I'll wait  
 I'm tryin' to matter  
 In someone else's eyes  
 Always, always  
 Nothing could matter  
 As much as you and I  
 I'm sleepwalking  
 I dream of you sometimes  
 We're not talking  
 But do I ever cross your mind?  
 I don't wanna let you go  
 But I know, I know  
 Since we lost it  
 I'm sleepwalking  
 Woo-oo-oo-oo  
 You brought me calm, and I brought you thunder, mm  
 You stopped the panic when I got lost in the storm, oh  
 And I feel the waves crashin' over me  
 It's so hard to breathe, I just need you here  
 So I'll medicate just to numb the pain  
 Just to see you there some other way  
 I'm sleepwalking

I dream of you sometimes  
 We're not talking  
 But do I ever cross your mind?  
 I don't wanna let you go  
 But I know, I know  
 That since we lost it  
 I'm sleepwalking  
 Woo-oo-oo-oo  
 I'm sleepwalking  
 Woo-oo-oo-oo  
 I'll wait, I'll wait  
 I'm tryin' to matter  
 In someone else's eyes  
 Always, always  
 Nothing could matter  
 As much as you and I  
 Said I'm sleepwalking  
 I dream of you sometimes  
 When we're not talking  
 Do I ever cross your mind?  
 I don't wanna let you go  
 But I know, I know  
 That since we lost it  
 I'm sleepwalking  
 Since we lost it  
 I'm sleepwalking  
 Woo-oo-oo-oo  
 I'm sleepwalking
