

James Barbosa - Vem Oh Deus

tom: E

Sinto que ando tão carente, precisando de Ti

Minh'alma anda tão cansada

Faltam forças para seguir

É quando dobro os meus joelhos

E sinto a tua presença em mim

Como um pai abraça seu filho, Senhor

Me abraçe! E nunca me deixe cair

Vem oh Deus

Vem me guiar

Vem oh Deus

E faz meu coração se acalmar

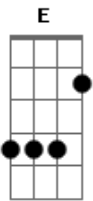

No Teu caminho quero sempre estar

E em Tua glória um dia viver

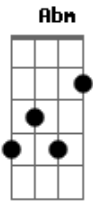

Me guarda em Seus braços e vem

Vem oh Deus
