

James Barbosa - Vem Oh Deus

E tom:

Sinto que ando tão carente, precisando de Ti

Minh'alma anda tão cansada

Faltam forças para seguir

É quando dobro os meus joelhos

E sinto a tua presença em mim

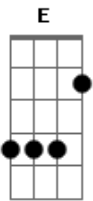

Como um pai abraça seu filho, Senhor

Me abraçe! E nunca me deixe cair

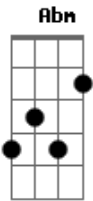

Abm

Vem oh Deus
 Vem me guiar
 Vem oh Deus
 E faz meu coração se acalmar
 No Teu caminho quero sempre estar
 E em Tua glória um dia viver
 Me guarda em Seus braços e vem
 Vem oh Deus
