

James Bay - All My Broken Pieces

tom:
C

Tell me what it's like
Dm C
To not wake up, wake up and wonder
Dm. Am G
Every single night
G
Always

I'm sat bolt upright
Dm C
Watching her sleep and I wish I could join her
G Am G
Every single night
Dm C
Always

When I'm falling in, I'm falling down
C G
She knows just how to sort me out
G Am
She knows just how
D7

When I lose, she lays on me
F C
And nothing else matters
G Am G
She takes all my broken pieces and she puts them together
F C
When I'm through, she stands by me
G Am
When everything shatters
G F C Am G
She takes all my broken pieces and she makes them feel better
Dm C G
All my broken pieces

I don't know what it means
Dm C
To lean on someone and not pull them under
G Am G
But she's so good to me
Dm C
Always

She showed what it's like
Dm C
To not wake up, wake up and wonder
Dm Am G
Every single night
Dm C
Always

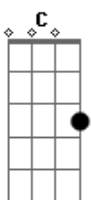

She told me I could start again
G Am
Turn on the lights, Turn off my head
D7
And start again

When I lose, she lays on me
F C
And nothing else matters
G Am G
She takes all my broken pieces and she puts them together
F C
When I'm through, she stands by me
G Am
When everything shatters
G F C Am G
She takes all my broken pieces and she makes them feel better

All my broken pieces
Dm C G
All my broken pieces

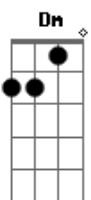

Am C
Cause she knows what I need, knows what I need

Am F
Cause she knows what I need, knows what I need
D7
Oh
F C
When I lose, she lays on me
