

James Bay - Best Fake Smile

```
Tom: Gb
                                                             Outside the window we're two fingers to show She lifts her
                                                             head I'm like some blur out of smoke
                                           F )
 (com acordes na forma de
                                                             She doesn't have to look back to know where she's gotta go
Capostraste na 1º casa
CHORUS:
                                                             CHORUS 2
No you don't have to wear your best fake smile, Don't have to
                                                             No you don't have to wear your best fake smile, Don't have to
stand there and burn inside
                                                             stand there and burn inside
Oh oh oh, if you don't like it
                                                             Dm
                                                             Oh oh oh, if you don't like it
--1-1-1-1-1-1-5-----
--1-3-1-3-1-3-1-3-----
                                                             And you don't have to care, so don't pretend, Nobody needs a
--2-2-2-2-2-2-----
                                                             best fake friend
--3-3-3-3-3-3-3-----
                                                             Dm
                                                             Oh oh oh, don't hide it
F (This sounds good for the F in the verse)
                                                             BRIDGE:
                                                                           Bb
                                                                                              Dm
VERSE 1
                                                             If you don't bleed it, you don't need it anymore
                                                                           Bh
                                                                                              Dm
She's working late and making eyes at the dough, She's sick of If you don't need it, get up and leave it on the floor
everybody up on her floor,
                                                                           Bb
                                                                                            Dm
                                                             No more believing like it's a voice you can't ignore
She wants the sun in her eyes, but all she gets is ignored
                                                                           Bb
                                                             If you don't need it, you don't need it no
She used to put it out and get it all back, But now she's
sipping trying to carry the act,
                                                             CHORUS 3
She's sweating under the lights, now she's beginning to pack
                                                             No you don't have to wear your best fake smile, Don't have to
                                                             stand there and burn inside
CHORUS
                                                             Oh oh oh, if you don't like it
No you don't have to wear your best fake smile, Don't have to
stand there and burn inside
                                                             And you don't have to care, so don't pretend, Nobody needs a
Dm C
                                                             best fake friend
Oh oh oh, if you don't like it
                                                                 C
                                                             Dm
                                                             Oh oh oh, don't hide it
And you don't have to care, so don't pretend Nobody needs a
                                                             CHORUS
best fake friend
Dm
    C
Oh oh oh, don't hide it
                                                             No you don't have to wear your best fake smile, Don't have to
                                                             stand there and burn inside
VFRSF 1
                                                             Oh oh oh, if you don't like it
No hesitation now, she gets up and walks, She thinks of all
the pain and pride \operatorname{did} it \operatorname{cost}
                                                             And you don't have to care, so don't pretend, Nobody needs a
                                                             best fake friend
She empties all the tip jars, and won't get back what she lost Dm
