tom:
 Bb
 Bb
 It was just like magic
 When your hips came crashin'
 There were fire's burnin'
 And my hands learning
 To paint with passion
 Bb
 It was planets meeting
 Eb
 It was synced up breathing

 Eb
 And I believed in

 Memories like freight chains hit me
 Eb
 I replay to keep you with me
 Gm F Eb
 Better to have had then not at all

Gm F
 We were chasing stars
 Eb Bb
 Across the county lines
 Gm F
 Two imperfect pieces
 Eb Bb
 With our fingers intertwined

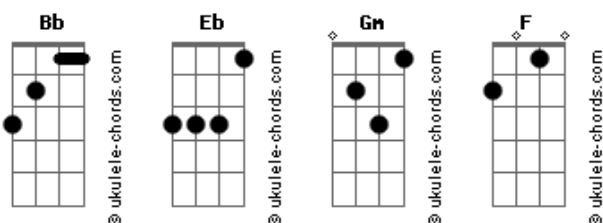

Gm F
 And I would do it all again
 Eb Bb
 Knowing I'd be left b?hind
 Gm F
 Oh, what a time
 Eb Bb
 Back when you wer? mine

(Gm F Eb Bb)
 (Gm F Eb Bb)

 Oh, I'm hurting

 But I'm still certain

 That when the pain

 Comes back in waves

 Yeah, it was worth it

 Memories like freight chains hit me
