

James Bay - Get Out While You Can

Tom: G

Intro: G C Em C D

I've been looking all night watching them empty hours
 Invisible to these crowds, always double vision
 I've been losing my mind listening to broken speech
 Stacking up broken seats, it's a lonely picture

And I hear your voice as it echoes 'round my head
 Always that same thing that you said

Get out, get out, while you still can
 Don't let the night slip through your hands
 The world is wide from where you stand, so -
 Get out, get out while you still can
 Ooh ooh, ooh ooh

As I'm sweeping up glass, I see the exit lights so green

There's people falling into the streets, something comes together
 I've been here too long and if I stay, they'll tie me down
 I know this chance won't hang around, so I'm gone forever

And I hear your voice as it echoes 'round my head
 Always that same thing that you said

Get out, get out, while you still can
 Don't let the night slip through your hands

The world is wide from where you stand, so -
 Get out, get out while you still can
 Ooh ooh, ooh ooh, ooh ooh, yeah-eah
 (G Em C G)

Packing up my suitcase, racing down forgotten streets
 Making my tracks along the cracks in the concrete
 Seeing those headlights shining down upon my feet
 If you find me, you will find me on the run
 For all the bleeding hearts pushing 'round the stubborn cards

I've seen the cleaner glass, I've seen the faster cars
 And I don't need your heavy hours, I don't need your lonely bars
 I'm ejected like a bullet from a gun

So take your final look at me, maybe even take my hand
 Stay on the staircase, come and chase the master plan
 Long way to get away, play it like a grand slam
 This is no encore, we have only just begun

So get out, get out, while you still can
 Don't let the night slip through your hands
 The world is wide from where you stand, so
 Get out, get out while you still can
 Ooh ooh, ooh ooh, ooh ooh, yeah-eah
 Ooh ooh, ooh ooh, ooh ooh, yeah-eah
