

# James Bay - Incomplete

Tom: E  
Intro: E E7M A Dbm B

E  
I breathe in slow to compose myself  
But the <sup>E7M</sup>bleeding heart I left on the shelf  
Started <sup>A</sup>speeding now, beating half to death  
Because <sup>Dbm</sup>you're here and you're all mine <sup>B</sup>  
I <sup>E</sup>press my lips down in to your neck  
And I <sup>E7M</sup>stay there and I reconnect  
Bravery <sup>A</sup>I've been trying to perfect  
It can <sup>Dbm</sup>wait for a while <sup>B</sup> <sup>A</sup>  
Scared of the <sup>E</sup>hope in my head  
It's <sup>B</sup>been making me sweat, but it turns out <sup>Dbm</sup> <sup>B</sup> <sup>A</sup>  
You're <sup>E</sup>here with your head on my chest  
I <sup>B</sup>should've guessed  
E  
The world will turn and  
We'll <sup>E7M</sup>grow, we'll learn how to be <sup>A</sup>  
To be <sup>Dbm</sup>incomplete <sup>B</sup>

E  
I breathe out now and we fall back in  
Just like <sup>E7M</sup>before, we can re-begin  
Let your <sup>A</sup>lungs push slow up against my skin  
Let it all <sup>Dbm</sup>feel just right <sup>B</sup>  
Gone is the <sup>A</sup>emptiness <sup>E</sup>  
We just <sup>B</sup>take what's best and we move on <sup>Dbm</sup> <sup>B</sup> <sup>A</sup>  
All of the <sup>E</sup>heart gets left  
I <sup>B</sup>should've guessed  
E

The world will turn and  
We'll <sup>E7M</sup>grow, we'll learn how to be <sup>A</sup>  
To be <sup>Dbm</sup>incomplete <sup>B</sup>  
E  
This, here, now  
it's <sup>E7M</sup>where we touch down  
You and me, <sup>A</sup>let's be incomplete <sup>Dbm</sup> <sup>B</sup>  
A <sup>E</sup>  
How we ever go without  
I <sup>B</sup>don't know, but it looks like we've made it again <sup>Dbm</sup> <sup>B</sup>  
Tell me <sup>A</sup>you'll never look down, down <sup>E</sup> <sup>B</sup>

E  
The world will turn and  
We'll <sup>E7M</sup>grow, we'll learn how to be <sup>A</sup>  
To be <sup>Dbm</sup>incom... <sup>B</sup>  
I don't <sup>E</sup>wanna look down  
I don't <sup>E7M</sup>want us to break up in the cloud  
All I <sup>A</sup>want is to stay us two, stay with you now <sup>Dbm</sup> <sup>B</sup>  
I don't <sup>E</sup>wanna look down  
I don't <sup>E7M</sup>want us to break up in the clouds  
All I <sup>A</sup>want is to stay us to stay with you now <sup>Dbm</sup> <sup>B</sup>  
E  
The world will turn and  
We'll <sup>E7M</sup>grow, we'll learn how to be <sup>A</sup>  
To be <sup>Dbm</sup>incomplete <sup>B</sup>  
E  
This, here, now  
it's <sup>E7M</sup>where we touch down  
You and me, <sup>A</sup>let's be incomplete <sup>Dbm</sup> <sup>B</sup>
