

# James Blunt - Calling Out Your Name

Tom: Bb

(com acordes na forma de A )  
 Capotraste na 1ª casa

Well you can stand there waiting for a rainy day  
 Close up your heart and hide your dancing shoes away  
 And cut yourself with your mistakes  
 Leave all hope lying in a line of chalk  
 Everything you need is disguised in double talk  
 So wound yourself and let it ache  
 But if you're waiting for something to bring you round

(refrão)

I'm calling out, I'm calling out your name  
 Lift your head up high  
 I'm calling out, I'm calling out your name  
 Lift your head up high

It's all little pieces till there's nothing left  
 All just debris of your former self  
 Just take a breath for your own sake  
 And if you're waiting for something to bring you round

I'm calling out, I'm calling out your name  
 Lift your head up high  
 I'm calling out, I'm calling out your name  
 Lift your head up high  
 And are you caught between the lines?  
 Did no one see you fall behind?  
 I'm calling out, I'm calling out your name  
 So lift your head up  
 Yeah lift your head up high  
 Yeah lift your head up  
 Now lift your head up high  
 I'm always by your side  
 Yeah lift your head up  
 Now lift your head up high  
 I'm always by your side  
 Yeah lift your head up  
 Now lift your head up high
