

# James Blunt - Chocolate

Tom: C

I was with this girl  
 In my bedroom  
 She was eating such wild chocolate  
 Didn't leave me much shared room  
 Its name I couldn't see  
 But she gave it to me  
 I lost my head  
 I started singing  
 Only the crumbliest  
 Flakiest chocolate yeah  
 Taste like chocolate never tasted before

Only the crumbliest  
 Flakiest chocolate yeah  
 Taste like chocolate never tasted before  
 Then I was gone  
 In a world of my own  
 Feels like electricity is  
 Running through every bone  
 My girl and me  
 We're living free  
 On the crumbliest milk chocolate in the world  
 We were singing  
 Chorus
