

# James Blunt - Don't Give Me Those Eyes

Tom: Db

Primeira Parte:

Staring at you naked, hotel room in vegas  
 I love you but i hate it, and we can't tell anyone  
 Take this love and break it, i don't think i can take it  
 Go back to him and fake it, don't tell him what you've done

Pré-Refrão:

But when we're caught in this feeling  
 And i taste your love and i taste your love  
 Whatever the meaning  
 Well it's not enough no it's not enough  
 I want to believe in  
 In a thing call love in a thing call love  
 Caught in this feeling in this feeling in this feeling

Refrão:

Don't give me those eyes cause you know me and i can't say no to you  
 We can't have each other even if we wanted to  
 In another life darling i'll do anything to be with you  
 We can't have each other even if we wanted to  
 Don't give me those eyes. don't give me those eyes
