

# James Blunt - Heart Of Gold

Tom: C  
Intro: 2x: Am F

Am F  
This time her mind is made up  
Yeah, she's moving on Am  
It's not like spirit's crushed F  
It's 'cause she don't belong C  
Maybe she thinks too much G  
She thinks she's given enough  
God only now she's got a heart of gold F Am  
Always looking for love F  
She's beginning to think she's cursed Am  
On her looks she judged F  
By the folks at work C  
All alone at night she's cried G  
Silent tears filled with pride  
One day they'll know, she's got a heart of gold Am F Dm

(refrão)

And she sings, I wanna know what love is F G  
But it seems to come with so much pain E Am  
If no one wants to show me F C  
It seems easier just to run away E Am  
When I am gone it's just a penny for my soul F Dm E Am  
But God he knows, I got a heart of gold F G Am

Am F  
Been coming 'round here  
Since she's a little girl Am  
But now the change is clear F  
We live in a cynical world C  
She don't care for fashion and fame, G  
Those kind of people they are all the same  
They don't wanna know, she's got a heart of gold F Am

And she sings, I wanna know what love is F G  
But it seems to come with so much pain E Am  
If no one wants to show me F C  
It seems easier just to run away E Am  
When I am gone it's just a penny for my soul F Am F Am F C  
But God he knows, I got a heart of gold E  
See her footsteps in the snow

And she sings, I wanna know what love is F G  
But it seems to come with so much pain E Am  
If no one wants to show me F C  
It seems easier just to run away E Am  
When I am gone it's just a penny for my soul F Dm E Am  
But God he knows, I got a heart of gold F G Am
