

# James Blunt - No Tears

Tom: Bb

(com acordes na forma de Capostrate na 3ª casa G )  
Intro: 2x: Em G D C

Don't I know it?  
Nobody has to say  
I've been lucky  
Guess I was born that way  
I think my father his absence has made me strong  
Then I love my mother but she had troubles with God  
No tears

Refrão:

For the life that you led  
You had angels in your head  
Did you hear them singing in the end?  
All the things that you've seen  
All the things that could have been  
Will I've been everything I want to be?  
So, no tears, no tears for me  
  
Yeah, I've bathed in sunshine but cherish the fading light  
And I heard my heart beat falter on a winter's night  
I loved a woman but she didn't hear my prayers

So Lord, oh Lord, I'm yours  
No tears

For the life that you led  
You had angels in your head  
Did you hear them singing in the end?  
All the things that you've seen  
All the things that could have been  
Will I've been everything I want to be?  
So, no tears, no tears

Cause someone's somewhere going home tonight  
Trying to understand the sacrifice  
So save your tears for those left behind

For the life that you led  
You had angels in your head  
Did you hear them singing in the end?  
All the things that you've seen  
All the things that could have been  
Will I've been everything I want to be?  
So no tears, no tears, no tears for me

( Em )
