She said I like it to hear, but your not gonna score

Dm Am F Am
I?m not gonna let you sleep with me anymore

Dm Am
And here we go again

F Am
I?m starting on my own

Dm Am
26 years apart for one

F Am
And I?m standing all alone (2 x)

Dm Am

I?m not that bad
F Am Dm Am F Am
In my, in my heart

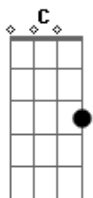

I?m guilty
And of that I confess
I have been thinking of another girl in obsess
I am sorry if it causes distress
But I never loved you
I never loved you

Chorus (2 x)

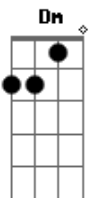

You can judge me
If you know me so well
I can?t change my spots
And won?t brake out of my shell
They will commit me, to a lifetime in hell
But I can?t remember where my innocence fell

Then play the Chorus a few times and fade out...
