

James Blunt - Postcards

Tom: B

VERSO 1 - PIANO:

E
Sunday sitting on your back porch
B
And I came on with a couple of chords
Gb
And I played for you.
E
You let me keep you entertained
B
With stories I exaggerate
Gb
That you know aren't true
Dbm
And as you sit there making daisy chains
E
And I throw in a hand grenade
B Gb
And tell you how it is I really feel for you.

REFRÃO - UKULELE:

E
I'm sending postcards from my heart
B Gb
Your love for a postmark and then,
Dbm E
You know that you..... make me feel like
B Gb
We've been caught like kids in the school yard again.
Dbm E
And I can't keep it to myself
B
Can't spell it any better
Gb
L.O.V.E forever
Dbm
I hope you know that
E
I'm sending a postcard
B Gb
I don't care who sees what I've said
Dbm
Or if the whole world knows what's in my head.

VERSO 2 - UKULELE:

E
We chased the sun 'til it got away
B
On a bicycle that your daddy made
Gb
But not made for two
E
Then we sat out on your rocking chair
B
You with a flower in your hair
Gb
That I found for you
Dbm
But then Monday always comes around
E
And it's sad cause I can't see you now
B Gb
Want you to know you're always in my head

The things that I can't say out loud

I'll find a place to write it down

I hope that they will find you in the end
