Are you calling for our last dance?
 I see it ... in your eyes In your eyes
 same old moves for a new romance
 I could use the same old lines ... but I'll sing
 Shine on, just shine on
 Close your eyes and they'll all be gone
 They can scream and shout that they've been sold out, but it
 paved the cloud that we're
 Dancing on
 so shine on, just shine on

with your smile just as bright as the sun
 Cause they're all just slaves to the Gods they've made
 But you and I, just shone, just shone
 And when silence greets my last goodbye
 The words I need are in your eyes
 And I'll sing (amplified)
 Shine on, just shine on
 Close your eyes and they'll all be gone
 They can scream and shout that they've been sold out, but it
 paved the cloud that we're
 Dancing on
 so shine on, just shine on
 with your smile just as bright as the sun
 Cause they're all just slaves to the Gods they've made
 But you and I, just shone, just shone
