

James Blunt - Your Grace

Tom: D

I saw you lose your grace
 For all the time that you spend
 Maybe you can not talk again
 Because your love is at my hands?
 Now you go and here I'll stay
 In the dark sides of your grace
 With these empty words
 Because I am out of your world?.

I can't spend my life with you
 Cause my love is not pure?.
 If you hear this lonely words
 Know that they are for us
 Now you go and here I'll stay
 In the dark sides of your grace
 With these empty words
 Because I am out of your world?.

(termina com A)

Acordes

The image shows five ukulele chord diagrams arranged horizontally. Each diagram consists of a 4x4 grid representing the fretboard. Black dots indicate which strings and frets are pressed. Above each diagram is the chord name: D, A, E, E7, and G. Below each diagram is the copyright notice '© ukulele-chords.com'.
