

James Brown - Cold Sweat

Author: AA23
Email:

The timing on this is funky and only approximate because the triplet is really more swing time. Listen to the song and it'll be easy.

Riff 1 (Main Riff in verse and Solo)

Triplet

```
G -----7-----7-----|
D -----7-----|
A 5---5-----5-----3-|
E -----2---3-3-4-4---|
   1 2 3 4 1 2 3 4
```

Often the walking bass has notes omitted

Riff 2 (Bridge)

```
G -----5-----|
D -----5-----|
A 3---3-----3-3-|
E -----0---1---2-2-3-|
   1 2 3 4 1 2 3 4
```

Riff 3 (Break)

```
G -----|-----
----|
D --2---3---4---5-----|---3---4---5-----
----|
A -----|-----
----|
E -----|-----3-----
----|
   1 2 3 4 1 2 3 4 Hold
this note
```

This break sounds strange because it's not what the horns are playing (especially the second time through).

Basic structure...

Intro: Riff1 (2x)
Riff1 (8x)
Riff2 (5x)
Riff3 (1x)

Acordes
