

# James Morrison - Man In The Mirror

Tom: E  
Intro: E B Dbm7 B A

E B Dbm7  
I'm gonna make a change,  
B A  
for once in my life  
E B  
It's gonna feel real good,  
Dbm7  
gonna make a difference  
B A  
Gonna make it right...  
E B  
As I, turn up the collar on  
Dbm B  
my favorite winter coat  
A  
This wind is blowing my mind  
E B  
I see the kids in the streets,  
Dbm  
with not enough to eat  
B A  
Who am I to be blind?  
Pretending not to see their needs  
Gbm Abm  
A summer disregard,  
A  
a broken bottle top  
Abm  
And a one man soul  
Gbm Abm  
They follow each other on the wind ya' know  
A A  
'Cause they got nowhere to go  
That's why I want you to know

## CHORUS

E Gbm Abm A  
I'm starting with the man in the mirror  
E Gbm Abm A  
I'm asking him to change his ways  
E Gbm A Bb  
And no message could have been any clearer  
B7  
If you wanna make the world a better place  
Take a look at yourself, and then make a change  
E B Dbm B A  
(Na na na, na na na, na na, na nah)  
E B Dbm B

I've been a victim of a selfish kind of love  
A  
It's time that I realize  
E B Dbm  
That there are some with no home, not a nickel to loan  
B A  
Could it be really me pretending that they're not alone?  
Gbm Abm  
A willow deeply scarred, somebody's broken heart  
A Abm  
And a washed-out dream  
Gbm Abm  
They follow the pattern of the wind ya' see  
A  
'Cause they got no place to be  
A  
That's why I'm starting with me
