

James Morrison - One Last Chance

Tom: C

Am C Dm F E
 In my life I don't mean much to anyone
 I've lost my way can't go back anymore
 Once I had everything now it's gone
 Don't tell me again coz I've heard it all before

Dm G
 Some people say that i'm not worth it
 I've made mistakes but nobody's perfect
 Guess I'll give it a try

Am C Dm F E
 I've got one last chance to get myself together
 I can't lose no more time it's now or never

Dm G
 and I'll try to remember who i used to be
 Am C Dm F E
 I've got one last chance to get myself together

Am C Dm F E
 The time has come for me to change again
 I can't carry on like this, I will lose my friends
 Don't say that you have given up on me
 Just give me the time and space to heal my head

Dm G
 Some people say that i'm not worth it
 I've made mistakes but nobody's perfect
 Guess I'll give it a try

Am C Dm F E
 I've got one last chance to get myself together
 I can't lose no more time it's now or never

Dm G
 and I'll try to remember who i used to be
 Am C Dm F E
 I've got one last chance to get myself together

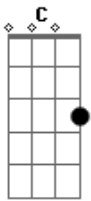

F E
 I don't wanna be misunderstood
 Am C D2 D
 I've got to take this chance and make it into something good

Dm G
 Some people say that i'm not worth it
 I've made mistakes but nobody's perfect
 Guess I'll give it a try

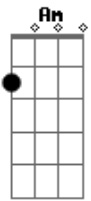

Am C Dm F E
 I've got one last chance to get myself together
 I can't lose no more time it's now or never
 I've got one last chance to get myself together
 I can't lose no more time it's now or never
 and I'll try to remember who i used to be
 I've got one last chance to get myself together

I've got one last chance
 That's all I need
 One last chance ...
