

# James Morrison - Pieces Don't Fit Anymore

Tom: Db

(com acordes na forma de Capotraste na 2ª casa Verso: B )

I've been twisting and turning  
 In a space that's too small  
 I've been drawing the line and watching it fall  
 You've been closing me in, closing the space in my heart  
 Watching us fading and watching it all fall apart

Refrão:

Well I can't explain why it's not enough, 'cause I gave it all to you

And if you leave me now, oh just leave me now

It's the better thing to do

It's time to surrender

It's been to long pretending

There's no use in trying

When the pieces dont fit anymore, pieces dont fit here anymore

Verso 2:

You pulled me under  
 I had to give in  
 Such a beautiful myth  
 Thats breaking my skin  
 Well I'll hide all the bruises  
 I'll hide all the damage thats done  
 But I show how I'm feeling until all the feeling has gone

(Refrão)

Ponte:

Ooh don't misunderstand

How I feel

Cause I've tried, yes I've tried

But still I don't know why, no I don't know why

I don't know why..... whyyyyyyy!
