

# James Morrison - Please Don't Stop The Rain

Tom: C  
Intro: Am C Dm Am G

Am C  
I don't know where I crossed the line

Dm  
Was it something that I said

Am G  
Or didn't say this time

Am C  
And I don't know if it's me or you

Dm  
But I can see the skies are changing

Am G  
In all the shades of blue

F G  
And I don't know which way it's gonna go

C F  
If it's gonna be a rainy day

Am  
There's nothing we can do to make it change

G  
We can pray for sunny weather

C  
But that won't stop the rain

F  
Feeling like you got no place to run

Am  
I can be your shelter 'til it's done

G  
We can make this last forever

C  
So please don't stop the rain

F  
Let it fall, let it fall, let it fall

Am  
Please don't stop the rain

G  
Let it fall, let it fall, let it fall

Am  
Please don't stop the rain

C  
I thought that time was on our side

Dm  
I've put in far too many years

Am G  
To let this pass us by

Am C  
You see live is a crazy thing

Dm  
There'll be good time and there'll be bad times

Am G  
And everything in between

F G  
And I don't know which way it's gonna go

C F  
If it's gonna be a rainy day

Am  
There's nothing we can do to make it change

G  
We can pray for sunny weather

C  
But that won't stop the rain

F  
Feeling like you got no place to run

Am  
I can be your shelter 'til it's done

G  
We can make this last forever

C  
So please don't stop the rain

F  
Let it fall, let it fall, let it fall

Am  
Please don't stop the rain

G  
Let it fall, let it fall, let it fall

C  
Please don't stop the rain

Dm C G  
Oh we're a little closer now

Dm C G  
And finding what life's it's all about

Dm Am  
Yeah I know you just can't stand it

C G  
When things don't go your way

Dm G  
But we've got no control over what happens anyway

C F  
If it's gonna be a rainy day

Am  
There's nothing we can do to make it change

G  
We can pray for sunny weather

C  
But that won't stop the rain

F  
Feeling like you got no place to run

Am  
I can be your shelter 'til it's done

G  
We can make this last forever

C  
So please don't stop the rain

F  
Let it fall, let it fall, let it fall

Am  
Please don't stop the rain

G  
Let it fall, let it fall, let it fall

C  
Please don't stop the rain

F  
Let it fall, let it fall, let it fall  
Can't stop it, can't stop it, just can't stop the rain

Am  
Let it fall, let it fall, let it fall

G  
Let it fall, please don't stop the rain
