

James Morrison - Please Don't Stop The Rain

Tom: C
Intro: Am C Dm Am G

Am C
I don't know where I crossed the line

Dm
Was it something that I said

Am G
Or didn't say this time

Am C
And I don't know if it's me or you

Dm
But I can see the skies are changing

Am G
In all the shades of blue

F G
And I don't know which way it's gonna go

C F
If it's gonna be a rainy day

Am
There's nothing we can do to make it change

G
We can pray for sunny weather

C
But that won't stop the rain

F
Feeling like you got no place to run

Am
I can be your shelter 'til it's done

G
We can make this last forever

C
So please don't stop the rain

F
Let it fall, let it fall, let it fall

Am
Please don't stop the rain

G
Let it fall, let it fall, let it fall

Am
Please don't stop the rain

C
I thought that time was on our side

Dm
I've put in far too many years

Am G
To let this pass us by

Am C
You see live is a crazy thing

Dm
There'll be good time and there'll be bad times

Am G
And everything in between

F G
And I don't know which way it's gonna go

C F
If it's gonna be a rainy day

Am
There's nothing we can do to make it change

G
We can pray for sunny weather

C
But that won't stop the rain

F
Feeling like you got no place to run

Am
I can be your shelter 'til it's done

G
We can make this last forever

C
So please don't stop the rain

F
Let it fall, let it fall, let it fall

Am
Please don't stop the rain

G
Let it fall, let it fall, let it fall

C
Please don't stop the rain

Dm C G
Oh we're a little closer now

Dm C G
And finding what life's it's all about

Dm Am
Yeah I know you just can't stand it

C G
When things don't go your way

Dm G
But we've got no control over what happens anyway

C F
If it's gonna be a rainy day

Am
There's nothing we can do to make it change

G
We can pray for sunny weather

C
But that won't stop the rain

F
Feeling like you got no place to run

Am
I can be your shelter 'til it's done

G
We can make this last forever

C
So please don't stop the rain

F
Let it fall, let it fall, let it fall

Am
Please don't stop the rain

G
Let it fall, let it fall, let it fall

C
Please don't stop the rain

F
Let it fall, let it fall, let it fall
Can't stop it, can't stop it, just can't stop the rain

Am
Let it fall, let it fall, let it fall

G
Let it fall, please don't stop the rain
