

James Morrison - Please Don't Stop The Rain

Tom: C
Intro: Am C Dm Am G

Am C
I don't know where I crossed the line
Dm
Was it something that I said
Am G
Or didn't say this time
Am C
And I don't know if it's me or you
Dm
But I can see the skies are changing
Am G
In all the shades of blue
F G
And I don't know which way it's gonna go

C F
If it's gonna be a rainy day
Am
There's nothing we can do to make it change
G
We can pray for sunny weather
C
But that won't stop the rain
F
Feeling like you got no place to run
Am
I can be your shelter 'til it's done
G
We can make this last forever

C
So please don't stop the rain
F
Let it fall, let it fall, let it fall
Am
Please don't stop the rain
G
Let it fall, let it fall, let it fall
Am
Please don't stop the rain

C
I thought that time was on our side
Dm
I've put in far too many years
Am G
To let this pass us by
Am C
You see live is a crazy thing
Dm
There'll be good time and there'll be bad times
Am G
And everything in between
F G
And I don't know which way it's gonna go

C F
If it's gonna be a rainy day
Am
There's nothing we can do to make it change

G
We can pray for sunny weather
C
But that won't stop the rain
F
Feeling like you got no place to run
Am
I can be your shelter 'til it's done
G
We can make this last forever
C
So please don't stop the rain
F
Let it fall, let it fall, let it fall
Am
Please don't stop the rain
G
Let it fall, let it fall, let it fall
Please don't stop the rain
Dm C G
Oh we're a little closer now
Dm C G
And finding what life's it's all about
Dm Am
Yeah I know you just can't stand it
C G
When things don't go your way
Dm G
But we've got no control over what happens anyway

C F
If it's gonna be a rainy day
Am
There's nothing we can do to make it change
G
We can pray for sunny weather
C
But that won't stop the rain
F
Feeling like you got no place to run
Am
I can be your shelter 'til it's done
G
We can make this last forever

C
So please don't stop the rain
F
Let it fall, let it fall, let it fall
Am
Please don't stop the rain
G

Am
Can't stop it, can't stop it, just can't stop the rain
G
Let it fall, let it fall, let it fall
Let it fall, please don't stop the rain
